---

Dear Parent / Carer,

Big Bang @ West Lothian College  
Tuesday 20th March from 9.30-11.30am.

All S2 students have been invited to attend an exciting event at West Lothian College. During this event, students will have the opportunity to meet local STEM (Science, Technology, Engineering and Maths) employers. They will provide interactive sessions to increase understanding of the skills needed and how useful it is to study STEM courses in the senior phase.

We ask that school uniform is worn and a snack is provided to eat as we will be away from school during break time. No money is required at this event. We will back in time for lunch, so normal hot lunch choices can be made for that day. We aim to leave Cedarbank at 9a.m. and return by 12noon.

Please complete, and return, the attached EE2 and the slip below by Friday 9th March.

Yours faithfully,

Belinda Cook  
Science Teacher
