Senior Student Activity Week: Monday 28th May 2018 to Friday 1st of June 2018

Dear Parent / Guardian

Cedarbank Senior Students who have opted to take part in the Cedarbank Senior Activity Week starting on Monday the 28th of May to Friday the 1st of June 2018, will all be based at Cedarbank School in Ladywell, Livingston for the entire week. Taxis will take students to and from Cedarbank School rather than the Armadale CHS Annex or the Deans CHS Annex. The school day will begin as usual at 8.30am and finish at 3.30pm. Lunches will be provided by the school, including packed lunches when needed throughout the week.

The programme for the week will involve alternative activities, trips, challenges and experiences which the students themselves will help to plan, carry out and review e.g. fishing. All activities can contribute to student ASDAN portfolios in order to make progress towards achieving an ASDAN Bronze Award.

Students will register in Room 10 each morning at 8.30am with Mr Killane before beginning the programme for that day, in normal uniform. It is important that any Trip Reply or Permission Slips are returned promptly to the school to enable us to be able to carry out our Activity Programme efficiently during the week. Advice for during the week regarding activity preparation, clothing and any other information will be given during the Induction Morning on Monday the 28th of May 2018, during periods 1 and 2.

We are all looking forward to a positive week with lots of varied experiences. Students will help shape the week themselves and have already been involved in suggesting learning activities for the week. They will get out what they put in.

If you have any questions about the Senior Activity Week, feel free to contact Mr Killane who is coordinating the Activity week, or Ms Queen who is overseeing the programme of events.

Yours faithfully

Ann O'Hagan
