Dear Parent/Carer

On the 24th September 2018 ZooLab will be visiting Cedarbank School to give our pupils the opportunity to look at and handle a range of different animals as part of your child's ASDAN study into The Environment.

ZooLab are an animal handling company who aim to amaze, educate and inspire pupils with workshops with animals. These could include a tarantula, scorpion, corn snake, millipede, hermit crab, giant land snail, rats, hedgehog, tortoise, centipede, royal python and a bull snake.

We will encourage all pupils to join in with the activities but no child will be forced to handle the animals if they do not wish.

ZooLab only bring animals which are completely safe and do not cause any harm, and a strict hand washing policy is enforced at the end of every session.

If you are happy for your child to be involved in the ZooLab Workshop please complete the tear off slip below and **return to school by Wednesday 19th September.**

Yours sincerely

Vicky Cairns(Mrs)
