1st October 2018

Dear Parent/Carer,

A number of S4 pupils have been selected to attend the official launch of the Community Council Grassroots Underpass Project. The project involved their participation in creating graffiti designs for local underpasses during April 2018.

The ceremony will be held at Inveralmond Community High School between 10.30am and 12.00pm on Thursday the 11th of October (snacks and refreshments will be available). Ms O'Hagan and I will also be there to congratulate the pupils on their achievement. Transport will collect and return pupils back to Deans Community High School in time for lunch. Pupils should wear school uniform.

Yours sincerely,

Miss N. Galloway
