1st October 2018

Dear Parent / Carer,

I write to inform you that over the next few weeks, Mrs Cairns (Principal Teacher Support for Learning) will be carrying out a number of standardised assessments with our new S1 pupils. These assessments will cover spelling, reading, comprehension, vocabulary, emotional literacy and social interaction skills. The results of these assessments will allow us to put in place the most appropriate targeted interventions for your child, if it is so required.

I will write to you again after the October holiday to inform you of our next steps. In the meantime, if you have any questions about the assessments which we will be carrying out please get in touch with either Mrs Cairns or myself.

Best wishes,

Ms Ann M O'hagan
