Dear Parent/Carer,

As part of our Autumn Watch week within Cedarbank School, S1b will be learning about apple trees during Life Skills lessons.

I am planning on providing the class with the opportunity to taste samples of different types of apple on Thursday 25th October.

Please could you return the form below, by Wednesday 24th October, to confirm your consent for your child to participate in this activity.

Many thanks,

Nerissa Davies
Class Teacher
