5th November 2018

Dear parent/carer,

S4, 5 and 6 Cedarbank pupils will be attending the Skills Scotland exhibition at the Royal Highland Centre in Ingliston, Edinburgh on Thursday 8th November.

Skills Scotland Edinburgh aims to inspire young people about their future careers and opportunities.

The event showcases the range of opportunities available to young people including modern apprenticeships, education, training, employment, internships and other options. Our pupils will be able to try different activities that will give them a taste of skills and challenges that young people will meet in a range of careers.

Activities might include wheel change challenges with students studying auto repair, pancake flipping with a hotel and hospitality team, changing a nappy with childcare trainers, building a slate roof with construction lecturers, restyling a hairdo with hairdressing academies, pedalling a dynamo to light a bulb with energy providers, fitness training with personal trainers and lots more.

We will leave school at 10.30 (Armadale)/11 (Deans), spend 2 hours at the exhibition and return to school for around 2.30-3pm.

Please find further information about the event at:

<https://www.royalhighlandcentre.co.uk/events/skills-scotland-edinburgh/>

This event is free to attend. School packed lunches will be provided but please feel free to bring your own lunch if you prefer.

Please contact the school on 01506 442172 if you have any questions about this trip.

Yours faithfully,

Nicola da Silva
