Dear Parent/Carer,

As part of our Health and Wellbeing Curriculum, S2 pupils will be visiting the Risk Factory, Edinburgh on Tuesday 24th September, 2019. The bus will leave Cedarbank at approximately 8.45am and return in time for lunch.

Your child may have visited the Risk Factory before and therefore may know what to expect. However, if not, the Risk Factory provides a fantastic learning experience!

Pupils will be put into scenarios that they could face in everyday life and are taught strategies that could not only save their lives but other peoples. Please inform Mrs Docherty if any pupils may find these scenarios upsetting for example, if they have been involved in an accident or house fire.

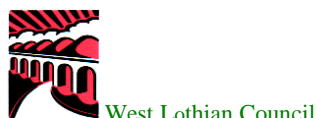

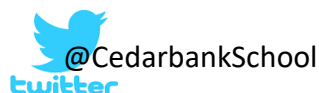

Pupils must wear school uniform to the Risk Factory.

A Code of Conduct for completion will follow nearer the time of our visit.

If you have any questions please do not hesitate to contact me.

Yours sincerely,

Mrs A Docherty
