1st October 2019

Dear Parent/Carer,

As part of our curriculum during Numeracy week, visits to the Money Museum in Edinburgh have been set up for some of our classes.

S4 and S5 are due to visit on Thursday 3rd October; we will be leaving school at 9am and returning at approximately 3pm, travelling by coach to Edinburgh.

The EE2 which all parents/carers have recently been asked to complete for all day trips until the end of June, will cover this school outing. Please help your young person fill in the attached code of conduct letter and return this to school tomorrow or Thursday.

A packed lunch has been ordered for your child, but pupils are welcome to bring their own packed lunch and a snack and a drink to be consumed at break time in the classroom at the museum.

Yours sincerely,

Fiona Gallacher
Class Teacher
