31st October 2019

Dear Parent/Carer,

I am delighted to inform you that this year at Cedarbank School we are going to be hosting "The Cedarbank Christmas Cake Exhibition" on Tuesday 17th December at 2pm. All of our S3 pupils are going to be designing, making and creating their very own Christmas cake which will be displayed at the exhibition. We would like to invite you along to see your child's finished Christmas cake and to witness the winner being announced.

Seasonal refreshments will be provided. Please fill in the tear off slip below stating if you are able to attend. Returns by Tuesday 5th November.

There will be a cost of £4 per pupil to make and decorate the Christmas cake which will be sent home with your child after the exhibition for you to enjoy. Your child can bring this money into the school office or hand it to myself when in Food Technology. If there are any difficulties with this payment please indicate this on the tear off slip below or get in touch with me at the school.

We look forward to welcoming you to our Christmas Cake Exhibition on the 17th December.

Kind Regards,

Lesley Ballantyne
Food and Textiles Technology Teacher
Family Learning Co-ordinator
