Dear Parents / Carers

As our S6 Learners are part of Cedarbank @ Armadale Academy we often participate and collaborate in events that happen within Armadale Academy. This month Cedarbank are joining with Armadale Academy in collecting for Foodbanks in West Lothian. The West Lothian Foodbanks have an urgent need for donations of a range of items (see list). Cedarbank @ Armadale Academy would appreciate if you or your young person could consider bringing in one of these items to add to our donation box. The donation box is due to be uplifted on **Friday 29th November** therefore we would appreciate, if you have a donation, that your young person brings it to School prior to this date.

Many thanks

Mrs M. Thomson
