10th March 2020

Dear Parent/Carer,

S1-3 Waste Minimisation and Community Litter Pick Wednesday 18th March 2020

On Wednesday 18th March we will have a visit from the West Lothian Waste Aware team to help share ideas about how to use the different recycling bins we have in school. They will also be giving advice about how to reduce the amount of waste we produce.

During the Wider Achievement lessons, in the afternoon, students will be involved with a community litter pick. This will help us work towards the next Green Flag for the school. All appropriate personal protective equipment will be supplied to pupils and students will be completing this task with their Tutor Teacher. Due to the nature of the weather recently, please could you ensure a change of footwear, welly boots or old trainers, is provided to wear during the activity. In addition, please send in a suitable coat for the session.

If you have any queries about this, please do not hesitate to be in contact.

Kind regards,

Belinda Cook
Wider Achievement Development Post Holder
