

S3 Fashion and Textiles Homework Task

Name:

When designers are creating pieces of work, such as clothes or handbags or shoes, they all need to start somewhere.

The designer usually creates a mood board. A mood board is where designers write words, colours or images of things that inspire them.

You need to create your own mood board for things that inspire you or things that you like such as:

- Favourite colours
- Favourite clothes
- Words you like
- Shapes or pictures you like

An example of a mood board is like this:
