
Message to Parents/Carers
Speech and Language Therapy

Dear Parents/Carers

With regards to the ongoing situation with the Covid-19 outbreak, we've been advised to stay clinic/office based for now and to avoid visiting schools/nurseries at this time in order to ensure that children's and patient's safety is a priority. We are also unable to run clinics within health centres or carry out home visits at this time.

Please be assured that we can still be contacted if you have any questions or concerns, or would like any advice relating to your child. Please leave a message with your child's name and your telephone number and we will get back to you.

Our contact details are:

- Gillian Barnett – Blackburn Health Centre – 01506 654965
- Main Speech and Language Therapy Department (St John's Hospital): 01506 524191

We will try to contact all families on our current caseload by telephone over the next few weeks to check progress, discuss targets and provide advice and resources to continue practice at home.

Best Wishes

Speech and Language Therapy
