

7th October 2020

Dear Parent / Carer,

As we approach the end of our first term, we are keen to capture your views on how your son / daughter has settled back into school. On our school website, in the section **Home/School Links**, there is a link in **Gathering Feedback** to the questionnaire that we would ask you to complete by Friday 23rd October. There is also a link on our Twitter page. We would appreciate if you could spare a few moments of your time to give us some feedback.

We hope all our families have a relaxing October break and look forward to welcoming our pupils back to school on Wednesday 21st October.

Best wishes,

Lesley Ballantyne
