

21<sup>st</sup> October 2020

Dear Parent / Carer,

I write to inform you that, Mrs Cairns (Principal Teacher Support for Learning) will shortly begin to carry out a number of standardised assessments with your child. These assessments will cover spelling, reading, comprehension and vocabulary. The results of these assessments will be used to ensure that your child is receiving the most appropriate supports in their Senior Phase classes.

All assessments will be undertaken in a safe environment in line with our risk assessment. Staff and pupils will socially distance, staff will wear a facemask and hand sanitisation will be carried out before and after assessments.

If you have any questions about the assessments which we will be carrying out please get in touch with either Mrs Cairns or myself.

Best wishes,

Ms Ann M O'Hagan  
Head Teacher

Award 2010
