

## Cedarbank School Learning Gain - March 2021

We welcome your views!

Dear Parent/Carer,

We are very proud of our pupils in Cedarbank as they have progressed through this past year of in school and at home learning.

As a staff team we are interested to know what skills your child may have gained while at home. We hear them talk about a range of activities they were involved in!

We invite you to complete the attached FORMS.

If you would prefer a paper form – please let the school office know.

Have a lovely Easter holiday!

The Cedarbank staff team
