Employability, Lifeskills, RE and PE are core subjects in our S5 curriculum. These will be added to your timetable. If you would like to continue to work on Maths and / or English you must put them down as one of your 5 choices or a back up choice.

REMEMBER

it is possible that you may not get your first 5 choices therefore you must also choose **THREE** back up courses.

My choices are listed in order of the most important to me. If possible I would like to study these as National Qualification Subjects next year at CB@DCHS.
