Dear Parent/Carer,

On Friday 22nd September from 1pm – 3pm we would like to welcome you and your family to come along and participate in our first Creative Wellbeing afternoon. The Expressive Arts and Health and Wellbeing Departments are planning an afternoon where families can become involved in a few fun activities. Food Technology, Art and Design, Music and Physical Education would like to invite you into the school to join in alongside your child in what we hope will be an engaging, highly creative, gently physical, and fun afternoon.

We would appreciate if you could complete the slip of interest at the bottom of this letter by Friday 1st September. Once approximate attendance numbers are confirmed we will then provide you with further details. If you have any questions please contact the school reception and ask for Mrs Thomson.

Many thanks, on behalf of the Expressive Arts and Health and Wellbeing Departments.
