

 I  wear a  black and  white uniform so  I  can  feel a  part
 of the school.  My  school  gives  me a  tie  I  can wear.

 If  I  live  far  from the school,  a taxi  will bring me  to
 and  from school.

 I  can eat  breakfast,  lunch and  snacks  at school  for free.

 My  teachers  have  everything  I  need  to learn.

 We  go  on school trips  different places.  I  do not have to
 pay  to go.

 We  have fun  events  in school  that are  free for everyone.

If I cannot complete my revision work at home, I
can do it in school lunch clubs.

I have a netbook in school to help me learn!

The school can help me and my family if we need
anything like food, clothes or hygiene products.
