

THIS WEEK WE HAVE ENJOYED A NUMBER OF ACTIVITIES AND WE SHARE THESE WITH YOU! ENJOY!

We made pancakes in Food Technology and shared them out!

Here is a bit of info about it and a recipe link:

Info about Shrove Tuesday (twinkl)

<https://youtu.be/0hXvNr0wmHk?si=d0S8D0yONH3af5OI>

Recipe (pancakes 4 ways !- Jamie Oliver)

<https://youtu.be/iwxJTlxloFo?si=mEwcS1FwFlyPUj06>

To everyone in Cedarbank who counted birds during “Big Garden birdwatch” week as part of Outdoor Learning

We saw

Robins Magpies Chaffinches Pigeons
Sparrows Starlings Blackbirds ...and a Nuthatch (unusual!)

We worked as a team and sent our results to the RSPB.

Photos from us

Hi from class B
...taking a break to
smile on Tuesday!

We have also entered the “Keep Scotland Beautiful” Pocket Garden competition this week. We designed a garden based on things we like to eat at lunch time. We hope the judges like our ideas!

Class A singing and crafting on Wednesday
...it was lovely to listen to

A lunchtime club

S4 and 5 10.40 – 11.20_{am}

Come and meet others for a chat!

Fulfilling Friday raffle prizes

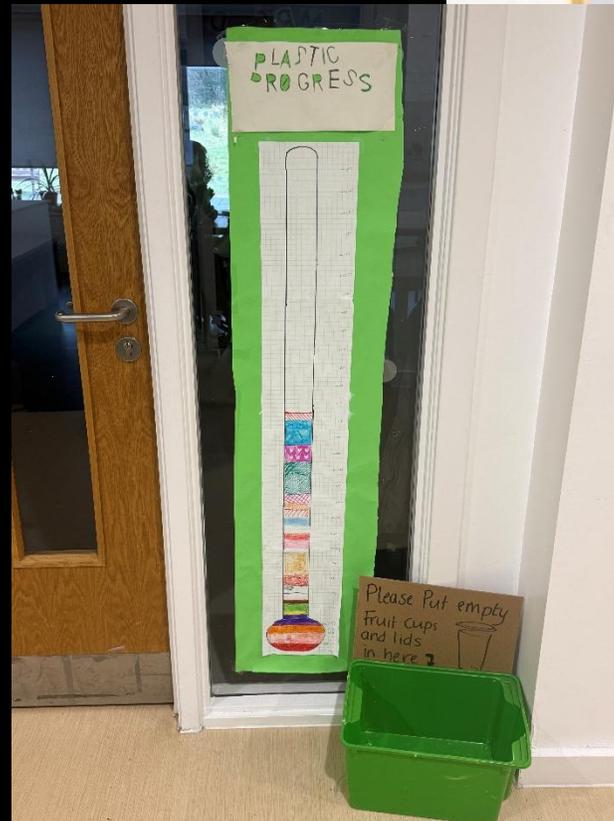

Well done to those in school who were given a raffle ticket.

They were also entered into the BIG draw for a TV (will be drawn in June)

Reducing food waste

Recycling plastic

WASTE RECYCLING ! 😊

Thank you to all who have been recycling plastic bottles in the BOTTLE bin in the dining hall. **KEEP IT GOING !!**

Please, as far as possible, fill water into reuseable bottles from the water dispensers and then plastic use is reduced even more!

Also, please put your clean soft plastic wrappers and bags in the various boxes in the hallways marked for this. S6 Climate classes will take these to local supermarkets for recycling

Please use water bottles in Cedarbank and fill up from the water fountain.
If you need one we can get one for you no bother.
